Foreword

Different ways our ex-students, who have fought and died and are still fighting and dying in action, have dreamed of Hi Park from their ships, foxholes, and aeroplanes are brought forth in this, the 1945 *Highlander*. In this portrayal of our life in "the school we hold so dear," we join with our ex-es in shouting its "praise to all the world."

Dedication

We dedicate *The Highlander* to a man whose close contacts with all our interests, whose gentleness and sympathy, and whose conscientious leadership have endeared him to all of us. To Mr. Gable, our superintendent for twenty-five years, this 1945 *Highlander* is a tribute from the Class of 1945.

Student Council

The Student Council, the governing body of Highland Park High School, has worked hard this year to keep ninety per cent of the students buying War Stamps and Bonds so that our school may fly the Minute Man Flag. Other activities of this group are the sponsoring of the annual Junior-Senior Prom, football dances, various contests and assemblies, the spring elections, scrap drives, and assisting in P.T.A., Dad's Club, and Red Cross Drives. One should also recognize the fact that Hi-Park is the president of the Southern Association, an honor of which we are justly proud.

National Honor Society

"Evenin' folks, how y'all?" This is Professor H. Park's "Kollege of All Kinds of Knowledge"—known in some parts as the National Honor Society. However, it takes more than mere knowledge to be selected a member of this "Kollege," since students are chosen by a vote of the faculty on the basis of not only scholarship but leadership and citizenship. Moreover, Sophs and low Juniors can merely gaze with wonder and admiration at this select group of "Super Scots," since membership in the organization is restricted solely to three per cent of the 3A class, ten per cent of the 4B class, and fifteen per cent of the 4A class.

Hi-Y

Background

Our Highland Park Hi-Y club was first organized in the 1922-1923 school year under the direction of Mr. Jack Whittington of the Y.M.C.A. Fourteen boys were the original charter members at the time. The club has grown since then into an excellent organization for character building and varied activities.

In 1913 their basic purpose, "to create, maintain and extend throughout the school and community high standards of Christian character," was adopted by the National Hi-Y Fellowship.

Present Status

Today the largest Hi-Y organization in the United States is our Highland Park club, which has three hundred and twenty-five active members.

The basic program for the year centers around Christian Character Building, Clean Sportsmanship, Vocational Guidance Talks, and Magic Entertainment. The social welfare work is generously contributing to the Red Cross, the War Chest Fund, and other big projects, both local and national. The social program for the year includes two semi-formal dances each semester.

Hi-Lites

Are you acquainted with the work of the Hi-Lites, the largest club for girls in Hi-Park? Besides having interesting programs every Tuesday morning, the Hi-Lites Club is one of the busiest in H.P.H.S. This year the welfare work and war work consisted of sending four hundred dozen cookies to Ashburn General Hospital at Thanksgiving, three hundred books and toys to the Parkland Children's Ward, three hundred games to Ashburn Hospital at Christmas. In addition, twenty-five gifts were sent monthly to the Camp Walters Hospital.

On the social side the Hi-Lites sponsored an annual sport dance, two "Get Acquainted" parties, a ceremony for installation of new officers, and the Spring Formal.

This gives you a good idea of the activities of the Hi-Lites.

The Internationalists

One of the most unusual clubs in Highland Park is the Internationalists Club. To be a member one must have lived outside the United States for six months or more. This year's members represent many different countries, including Panama, France, Germany, England, Bermuda, Hawaii, Japan, and Switzerland.

The Internationalists meet to discuss their travels and plan their projects. Their main projects are giving a program for the Travel Club and keeping the display case near the library filled with curios from foreign countries. This year Christmas cards, menus, figurines, and newspapers were among the exhibits from various countries.

Quill and Scroll

In 1937 the Quill and Scroll Club of Highland Park was organized for those who had done outstanding work on the school publications. When a person is admitted to the club, he feels that he has really accomplished a great deal as it is indeed an honor. Those who wish to get into the Quill and Scroll have to be at least a junior, in the upper third of their class, and outstanding in work on the *Bagpipe* or *Highlander*. The club also encourages beginners in the journalistic field. When and if they make the Quill and Scroll, they usually feel that they should go on to bigger and better things.

This year our Quill and Scroll is publishing the *Kiltie*, as well as keeping the Exes' Record. The club also has other duties, one of which is to maintain the standards of the school publications. So if you want to be one of the great minds of journalism and wield pen and paper, why not try for the Quill and Scroll today?

Dramatics Club

For those interested in the arts many opportunities are offered at Senior High. Among these organizations is the Dramatics Club with its particular appeal for those eager to try their talents before the footlights. One-act plays presented during the school year and a final play, all under the capable direction of Miss Harrison, give ample opportunity for all to participate in the club's activities. One of the activities this year was an original radio play presented over KGKO. The club also entered the Interscholastic League contest for one-act plays.

Travel Club

The project of the Travel Club this year is entertainment. Their biggest event is the entertainment show for the veterans of World War II at Ashburn General Hospital, McKinney, Texas. While several members of the club give a regular stage show, others sit and talk with the boys. Also scrapbooks containing jokes and pictures are made by certain committees of the club. These are taken to the hospitals with each entertainment show.

In the club meetings the less personal, but more interesting excerpts of overseas letters are read to the club members. By these letters the Travel Club goes to foreign lands while remaining in Highland Park High School. The letters might be called "tickets to the world" and they come from all over the world.

Rivals of the New York Philharmonic.

Orchestra

Time: Fourth period.

Place: Study Hall 202.

Comment: "What has the New York Philharmonic got that Hi Park's orchestra hasn't?"

Reply: "Not much at any rate, and each and every member of the study hall would testify to that, for every day the strains of the orchestra's sweet music echo in the ears of all those fortunate souls who have been lucky enough to schedule their study hall above the orchestra's practice room."

"This year our orchestra has been as busy as the proverbial bee with its regular radio broadcasts, programs for P.T.A. and Dads clubs, assemblies, music for graduation, and the annual spring concert, and then the added attractions of the Greater Dallas Solo and Ensemble Contest, and the Spring Festival. In the Greater Dallas Solo and Ensemble Contest, all entries won a first division rating with the exception of one second division. The concert for the Texas School of the Air program was broadcast from the Crystal Ballroom at the opening session of the Southwestern Music Educator's Conference and really was a fitting tribute to the talents of Hi Park's "maestros and maestresses."

Junior Historical Society

Here in our Lone Star State have been found all of the interesting events which are comparable to the ancient and modern histories of entire nations. In appreciation of this background our Junior Historical Society has proved a most beneficial chapter of the Texas State Historical Society. This club represents Highland Park in an annual program at the Hall of State as one of its main projects. For the programs Mrs. Miller arranges interesting talks, movies, and excursions. This club has helped to give us a better understanding of the interesting background of our state.

Art Club

Many years ago, in 1936, when most of the current Scotties were in grammar school, a group of Scots, under the supervision of Miss Dial, organized an Art Club. This Club has grown with the years and is now proudly doing a very important work at Highland Park.

In this time of strife the club has decorated our halls with many stirring patriotic posters. When the Student Council wishes to stress any one of its projects, in particular, it is the Art Club which furnishes visual inspiration for the student body. During the Sixth War Loan Drive, the Art Club furnished a Poster which kept the entire student body informed on the amount of sales made at Highland Park. Contributions of the Art Club have helped make Highland Park the outstanding school it is.

Interscholastic League

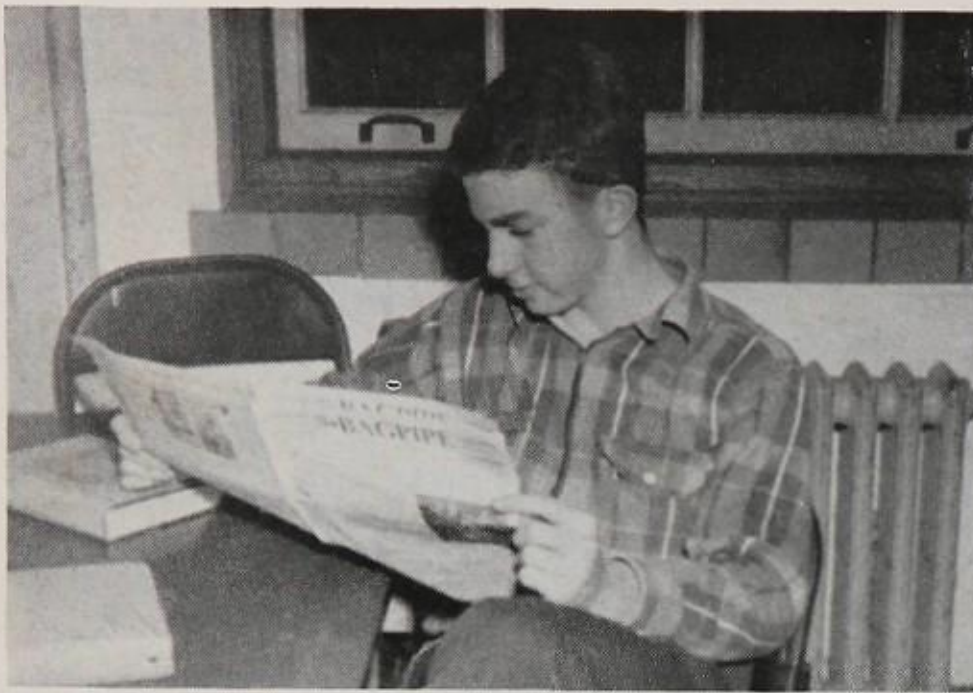

In his travels through the halls of Hi Park this year, John Q. Student discovered that something new had been added. Singular individuals always trying to argue? Naturally stubborn characters just loving to be obstinate? No—just the debaters brushing up (no doubt) for the Interscholastic League debates held throughout the state each spring. Before the big event took place, however, Coach Sarles' "EAGER BEAVERS" garnered much needed experience in round robin contests with high schools in Dallas and vicinity. In arguments over the voting age, Susie Smith and Jerry Jordan out talked their opponents to win first place in the district.

Another League activity in which Hi Parkers took part was that of orthography (spelling, to you!). The most proficient spellers, under the sponsorship of Mrs. Williams, are Mary Frances Taylor (4A), Katherine Anagnos (4B), Cole Manes (3A), Ruth Rolnick (3B), George Ewing (2A), and John Bailey (2B).

Upholding our successful record in contests, Alan Wilson, with guidance of Miss Harrison, won second place in the city-wide declamation contest. In giving Senator Vandenburg's speech on "Let's Try to Prevent World War III," Alan expressed our most sincere wish.

The group that can't be out-talked.

Football

Overwhelming Gainesville in a 39 to 0 battle the Golden Avalanche opened the 1944 football season. Even though the entire team played good football, Elliott, Eldredge, and Moxley were outstanding. The Scots showed still more power the next week by defeating the Masonic Home Masons 42-0. Waco defeated the Hi Park lads the following week by 21-20, which proved the Tigers had one of the best lines in the State. The Scots came back in the next game to outplay and thoroughly whip Sherman to the tune of 25-0, with Walker

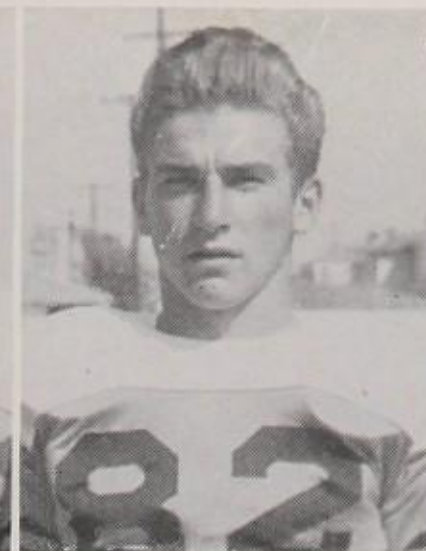

standing out. In the Wichita Falls game Coaches Russell and Morgan had our boys open a passing attack which completed 20 out of 28 attempts. Walker to Elliott and Clark were two combinations almost unbeatable. The game ended with a victory for the Scots, 34-0. Marshall came to Hi Park the following week, to give the Scots a scare, but after a while the Scotties stopped their star, Gillory, and defeated them 32-19. Foster, Wales, and Smith played stellar football.

HI PARK 20—DENTON 6

It wasn't until late in the third quarter that the first string came into the game to beat the Broncs in a thriller. The boys from Denton completed a beautiful pass to gain their only score.

HI PARK 38—ARLINGTON 0

This was a muddy game with Tenison and Rembert playing great football. "Robin" Walker who splashed the first one over was followed by "Beogie" Rembert, "Pete" Weatherford, "Pinocche" Norton, "King" Wallace, and "Big Bill" Elliott, while "Friday" Kirby parted the uprights.

HI PARK 73—McKINNEY 0

Walker and Bradley celebrated this Turkey Day game by gaining four and three tallies apiece, respectively, to be trailed by Wallace, P'Simer, and Eldredge, lugging over one each. However, these boys had nothing on little Kirby who, besides scoring a touchdown, kicked seven extra points.

HI PARK 41—SULPHUR SPRINGS 0

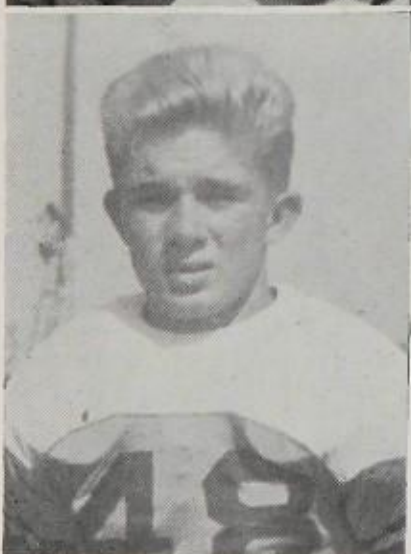

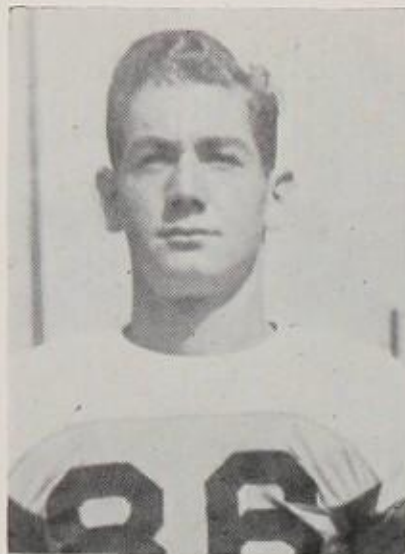

Using nearly all power plays, starring Elliott and Rembert, the Scots beat the Wildcats. Outstanding on the line were Tenison, Wales, Clark, Davis, Smith, Fuqua, and Fikes. This game gave the Scots their fourth straight district title.

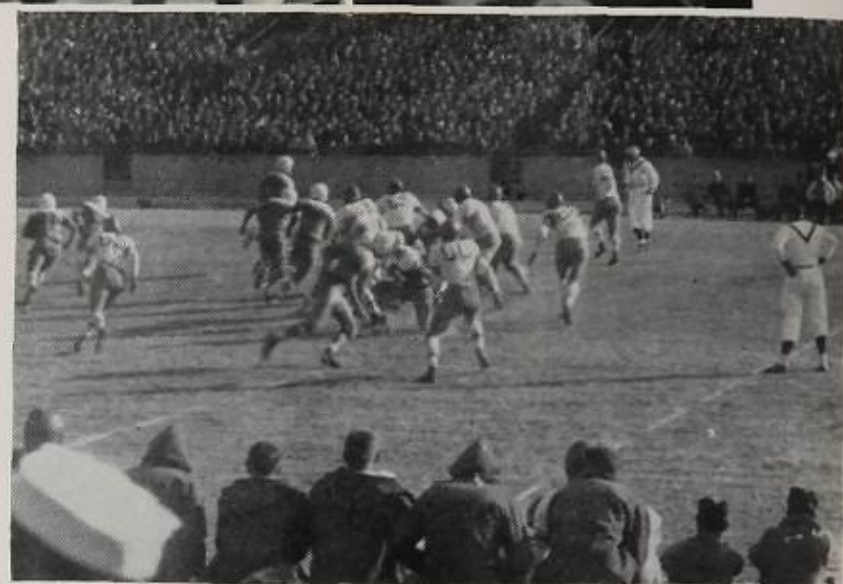

P'Simer pulls one out of the sky.

Football

HI PARK 0—GREENVILLE 0

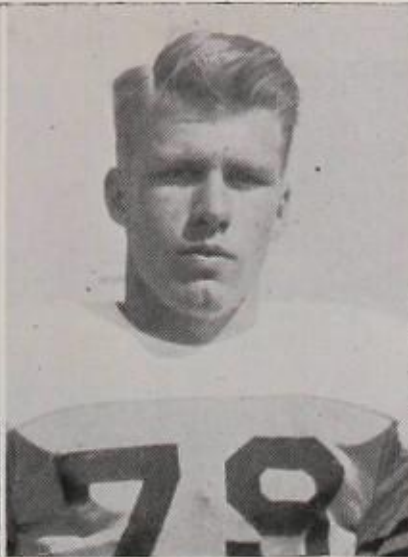

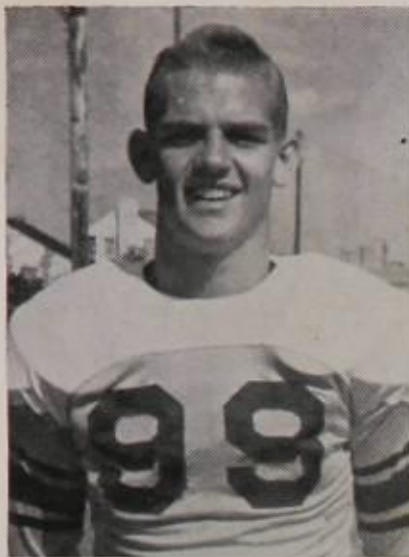

On a muddy field the Scots managed to get one twenty yard penetration to beat the Greenville ball club. Though the Scots pushed the Lions all over the field, bad breaks kept them from scoring.

HI PARK 20—SUNSET 0

Proving that the Golden Avalanche had the better of the two lines, Walker had little trouble in running or passing when he wished. He ran for two tallies himself, and tossed the pigskin to Clark for the remaining one. It wasn't until the final minutes of the game that the Bisons managed to gain their only first down.

Two reasons why we beat Sunset.

HI PARK 39—SAN ANGELO 6

The brilliant strategy and playing ability of Walker helped to defeat the highly favored Bobcats and probably gave him his berth on the All-State Team. The excellent teamwork of every person on the team made this one of the best games the Scotties played all season. San Angelo didn't even threaten until the last quarter when playing our fourth string.

HI PARK 7—PORT ARTHUR 20

For the first time in the history of Highland Park Hi, the "silk stocking boys" played in the State Finals, only to be defeated by a much heavier team. Duke and Fuqua, along with the entire team, played extremely good football. Very close to pay-dirt on four occasions, the Plaidsmen couldn't give the final punch until that reliable team of Walker to Clark tallied our only score of the game.

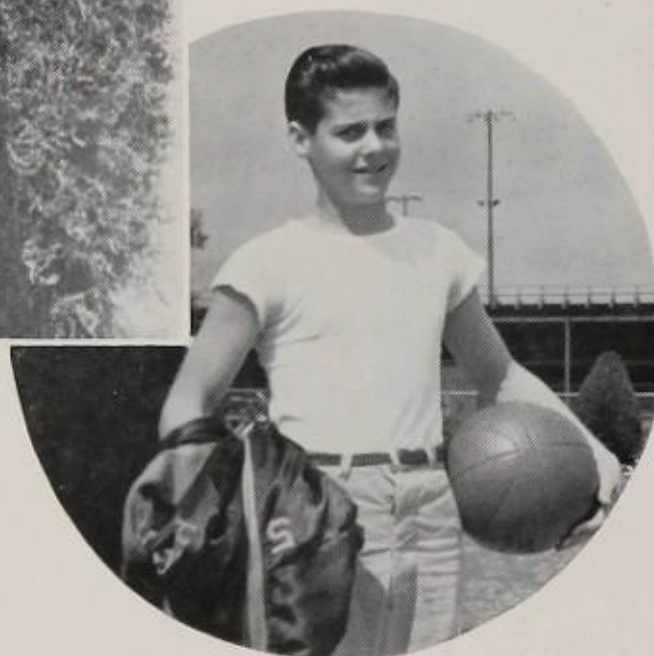

Both Walker and Clark gained berths on the All-State Team.

Versatility pays off.

Basketball

The Hi Park cagers, led by Coach Bruce Jeffers, opened the basketball season by playing Paschal, the destined champions. Although we lost that game, we played well. Bill Tom scored 20 of the 26 points made by the Scotties. We were downed again by Paschal after having been defeated by Forney and Forest. In the next two games we downed North Dallas 29-28, and Adamson 29-19. In the first game of a double header with Waco in our gym, the score was 26-23 in their favor; Hi Park taking the honors 48-37 in the second battle.

Front Row: Arthur Kirby, Edward Graner, Bobby Maxwell, Rush Pierce.

Second Row: Doak Walker, Carl Wallace, Leo Fikes, Bobby Duke, Billy Hahnel.

Back Row: James Duncan, Frank Foster, Bill Moxley, Bill Tom, Tom Freeman, James Cox.

Greenville was tough.

Basketball

In the first of our district games the plaidsmen drove over Sulphur Springs, Arlington, and McKinney. We walloped Denton with a score of 29-25; however, in our last district game of the season they trimmed us to the tune of 33-31. Regardless of this defeat we gloried in the light of our third consecu-

tive district championship. Midway in the district games the Scots bowed in both tussles to the Waco club with scores of 30-19, and 34-27. With a continued streak of bad luck, we were mauled 39-26 by Greenville in the bi-district play-off, but we led the Lions all the way in the second of the series

only to have them rally and beat us 25-21.

So, in tribute to our team, here's hate off to those demons of perspiration, work, and good-sportsmanship. Flower garlands to Bill Tom, high scorer of the entire district, Tom Freeman, Bill Moxley, Carl Wallace, Leo Fikes, and Bob Duke.

Band

During the school year of 1944-45 the Hi Park band has again maintained its reputation as a superior organization and a busy one. Among its outstanding activities have been performances at assemblies, P.T.A. and Dads Club programs, pep rallies, trips to football games, notably the Austin game, programs at Fair Park, Hockaday, the military review at Love Field, and the annual concert at N.T.A.C. In the annual Greater Dallas solo and ensemble contest the band boys won seventy first division medals and nine second division medals, while the nearest competitor won a total of forty-three. The band continued its record of excellence by winning a one-plus rating at the state band contest at Waco. Seventy-one first division medals and ten second division medals were won by solo and ensemble contestants. In the January all-city inspection by Colonel Ackerman, the P. M. S. & T., the Highlander band with a hundred per cent grade ranked highest in the city. All members with an "A" average in band are rewarded with "H" letters. To offset the hard work, several picnics and the yearly banquet at the Dallas Country Club are enjoyed by the band boys.

THEIR

TEAMWORK

IS HASTENING VICTORY

On every battlefield, the unbeatable teamwork of men, animals, and machines is helping to bring Victory nearer. Through the jungles of Burma and the Southwest Pacific islands, over the mountains and across the plains of Italy, France and India, men, machines, mules and horses form lifelines of food, medicine and munitions . . . supplying the countless demands of the men fighting at the battle fronts. This is not strange . . . for, since time began, men and animals have gone to battle side by side . . . giving devotion and courage, and life if necessary, to the well being of home and country . . . *This is Teamwork that counts!*

OUR

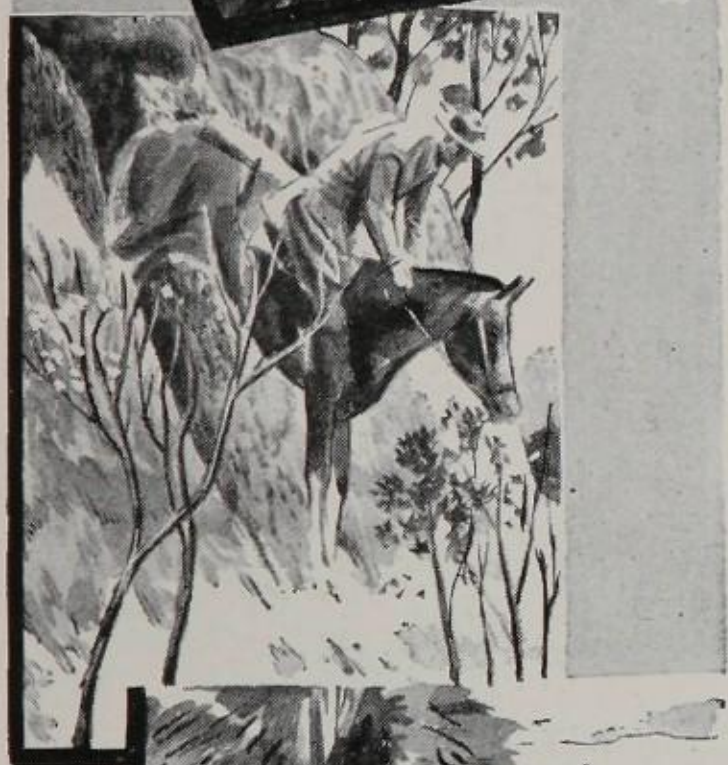

TEAMWORK

on the homefront is just as vital to Victory . . . hard work, sacrifice and loyalty is our share of warfare . . . and *buying War Bonds* regularly and often. The one sure way of bringing the boys home sooner is to keep the supplies rolling . . . tanks, planes, guns and ships . . . the equipment with which a war is won. The big job ahead demands *Teamwork* on the part of all . . . so buy that *extra Bond* today, and *keep on buying Bonds* until Victory!

Texas Power & Light Company is giving all-out support to the nation's war effort. Over and above its responsibility to keep electric power continuously available for military installations, war industries and civilian needs, this Company and its employees are selling War Bonds and Stamps to customers and other citizens . . . buying Bonds themselves regularly and often . . . giving time and effort in the support of every phase of the war program.
